3:12-CV-1629-B-BK

**ORDER ACCEPTING FINDINGS, CONCLUSIONS AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made findings, conclusions and a recommendation in this case. No objections were filed. The District Court reviewed the proposed findings, conclusions and recommendation for plain error. Finding none, the Court **ACCEPTS** the Findings, Conclusions and Recommendation of the United States Magistrate Judge, **DISMISSES** the action without prejudice for want of prosecution, and **DENIES** Plaintiff's motion to proceed *in forma pauperis*.

The Court **CERTIFIES** that any appeal of this action would not be taken in good faith. See 28 U.S.C. § 1915(a)(3). In support of this finding, the Court adopts and incorporates by reference the Magistrate Judge's Findings, Conclusions and Recommendation. See *Baugh v. Taylor*, 117 F.3d 197, 202 n.21 (5th Cir. 1997). Based on the Findings and Recommendation, the Court finds that any appeal of this action would present no legal point of arguable merit and would, therefore, be frivolous. *Howard v. King*, 707 F.2d 215, 220 (5th Cir. 1983).

SO ORDERED this 18th day of July, 2012.

LANE J. BOYCE
UNITED STATES DISTRICT
